

GALAXUS

THE THING FROM OUTER SPACE

A space-creature, known as Galaxus, had been captured on Earth and, although he seemed to have no reason for being, he was being treated throughout the world. Separated from the city inhabitants and from the city inhabitants, he was being treated in a way that was not only strange but also very strange. He was being treated in a way that was not only strange but also very strange. He was being treated in a way that was not only strange but also very strange.
